

Employee Opt-Out Form

NEST is a completely voluntary program. You can opt out at any time online, by phone, or by completing this form. If you do not opt out your employer will send payroll contributions to your NEST account. Amounts you save in this account are always your money. Your account is in your control and goes with you from job to job in accordance with the NEST Program terms. Every little bit you save now can potentially make a difference in retirement. To opt out of payroll contributions to NEST for more than one employer you must submit a separate form for each employer.
